PROJECT DETAILS			
KINGSPAN ROOF PANEL TYPE & CODE			
LENGTH		CORE THICKNESS	
WEIGHT		ROOF PITCH °	
SURFACE/FINISH			
APPROX ROOF AREA			
ANTICIPATED START DATE ON SITE			

Subject to availability, the Rota Boy® lifting and panel rotation machine will be offered for contract rental to Kingspan customers when using Kingspan products.

All customers using this machine will require site training and following successful training certificates will be issued.

All hire contracts will be strictly in accordance with the standard trading conditions of 4 Cladding Services, a copy of which can be requested or downloaded from our website. A hire contract will not be deemed to exist until an official order is submitted and confirmed in writing by us.

Please refer to separate page for current hire rates.

FAX BACK TO 0870 741 7601
WE WILL THEN CONTACT YOU TO DISCUSS YOUR REQUIREMENTS IN DETAIL.
