

2026 Hire Price Guide

All prices per week and exclude delivery and collection from **£105** each way

The pricing for Clad Boy services listed is based on standard RW-style or flat/MR panels. If you have more specialised panels like Steadmans, Louvre, or Curvewall, additional costs may apply due to the need for specialised suction pads.

Please contact **hire@vaclifting.co.uk** for further pricing.

Please Note: Clad Boy CB3 prices on request.
